

PHONICS & PHONETICS at UNIVERSAL PUBLIC SCHOOL

As a parent, you want your child to grow in school and in life, but do you know that being a good reader is a crucial part of this success? Yes, the department of education recognizes phonics as a key element that helps children become successful readers. In order to understand what they are reading, children must be able to do it faster, without stumbling over words. Phonics education facilitates that process of learning.

UNIVERSAL School focuses on the following;

- 1. Sound to symbol recognition becomes faster**
- 2. Reading becomes better**
- 3. Sounding out unfamiliar words is easier**
- 4. Improves vocabulary and language development**
- 5. Become better spellers**
- 6. Builds patience and concentration**
- 7. Learn Syllable Structure**
- 8. Higher reading skills for better academic performance**
- 9. Learn the rules of their language**
