SCHOOL EMBLEM

The emblem of Universal Public School symbolises

ATTAINING UNIVERSAL GOALS.

The dark blue figure in the logo represents a teacher guiding student to accomplish success by encouraging Imagination, Passion, Courage and Reliability. The stars are associated with the idea of reaching out for stars, portraying Excellence, Ambitions, Skills, Happiness and Glory. It signifies establishing a secure and open environment where learners be urged to explore the world around them.

यत भावो-तत् भवति।

Belief gives the direction, but it is us that we have to move in that direction. Without action, it is lazy of us to expect favourable outcomes. Belief clears the dust around our vision but to fulfil that vision, we must act. Adapt a strong & positive belief system. Why you may ask. Belief systems play a fundamental role in shaping our thoughts, attitudes, and actions, ultimately influencing the course of our lives. Thus, *You become as you think.*

OUR VISION

Our vision to be a beacon of educational excellence where innovation meets tradition and every child is empowered to explore their potential, shaping a brighter future for themselves and the world.

OUR MISSION

Our mission is to create a nurturing and optimistic learning environment that embraces diversity, fosters curiosity, and encourages each student to excel academically, socially and emotionally. We are comitted to developing compassionate, creative and confident individuals who are prepared to integrity and purpose in an ever – changing world.

OBJECTIVES

01
Providing high quality education for all.

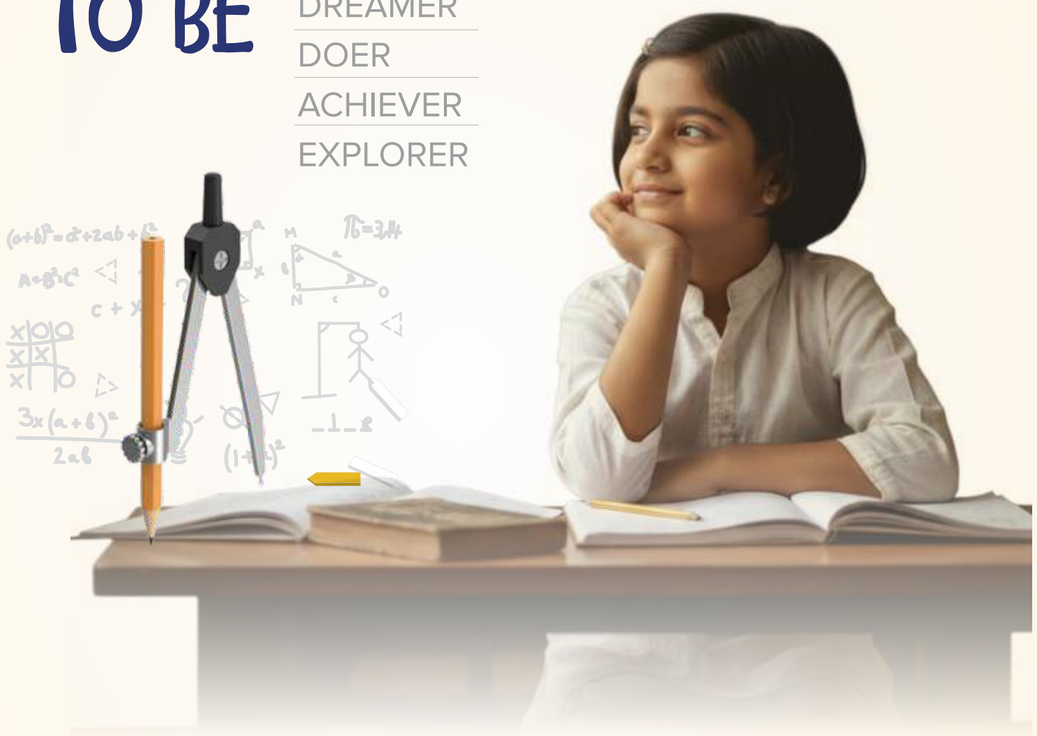

02

CORE VALUES

Envisioned Destiny

The future one visualizes and strives toward, reflecting a school's mission to help students shape their goals and aspirations through education and guidance. Our school acts as a guidepost, helping students chart their paths and develop the skills needed to reach their full potential.

Serene Cosmos

A tranquil and harmonious universe, much like a school that fosters peace, balance, and a nurturing environment for learning and personal growth. In this serene space, students and staff coexist in harmony, cultivating an atmosphere of respect and cooperation.

Unparalleled Excellence

A standard of unmatched quality, akin to a school's commitment to delivering top-tier education and inspiring students to achieve their highest potential. Our school creates an environment where students are encouraged to excel in both academics and personal development, pushing boundaries and setting new standards.

Unified Aura

The collective energy from unity, similar to a school's inclusive environment, where diverse talents and perspectives come together to create a strong, supportive community. Our school builds a sense of belonging, fostering collaboration among students, teachers, and staff, and enhancing the collective spirit that drives success.

ALPHA HOUSE

Alpha House : *"Unity in Strength, Excellence in Learning"*

"Unity in Strength, Excellence in Learning," reflects our commitment to building a supportive community that celebrates diversity and empowers each individual to reach their full potential.

Beta House : *"Empower, Inspire, Achieve"*

Our motto, "Empower, Inspire, Achieve," serves as a guiding principle for our members, encouraging them to support one another in pursuit of their goals.

Gamma House : *"Explore, Grow, Succeed"*

Our motto, "Explore, Grow, Succeed," encapsulates our dedication to inspiring students to embark on their educational journey with an adventurous spirit.

Delta House : *"Empower, Inspire, Achieve"*

At Delta House, we believe in nurturing the unique potential of each student, paving the way for future leaders and innovators

SMART

Socratic Method

A dialogue-driven approach where teachers ask probing questions, encouraging students to think critically, articulate their ideas, and engage in meaningful discussions. Students feel intellectually challenged and respected, which boosts confidence and independence.

Multidisciplinary Learning

Our school promotes a multidisciplinary approach to education, where students are encouraged to explore different subjects simultaneously, blending the sciences, arts, and vocational skills. This method allows students to choose a variety of subjects beyond traditional streams, giving them the freedom to pursue their interests.

Aesthetic Approach

The aesthetic approach to learning focuses on engaging students' senses and emotions to deepen their understanding and appreciation of the subject matter. It emphasizes beauty, creativity, and sensory experiences in the learning process, encouraging learners to explore the emotional and artistic dimensions of knowledge.

Role Based Learning

Role-based learning pedagogy is an instructional approach that immerses students in specific roles within a given context, enabling them to experience and practice real-world skills. It emphasizes active learning, where learners take on roles such as leaders, problem-solvers, or professionals, simulating authentic tasks and responsibilities in a controlled environment.

Teachmint x Method

(AI-Powered Learning Panel

Teachmint x uses AI panels to deliver personalized, data-driven insights into students' learning patterns. The AI system helps in identifying strengths and weaknesses by analyzing the progress of students in real-time. Teachers can provide tailored feedback and resources, while students receive individualized learning plans based on their specific needs.

World-Class Infrastructure

At Universal, we believe that the environment is the "third teacher" — after parents and educators. Our infrastructure has been thoughtfully designed to provide children with a safe, stimulating, and joyful learning space that promotes exploration, independence, and creativity.

1. Child-Friendly Classrooms

- Spacious classrooms with ample natural light and ventilation.
- Ergonomic furniture that is sturdy, safe, and age-appropriate.
- Colorful, theme-based walls designed to stimulate curiosity and imagination.
- Interactive learning corners for reading, art, construction, and pretend play.
- Smart digital boards and audio-visual learning tools to make lessons engaging.

2. Montessori & Activity Rooms

- Dedicated Montessori workrooms equipped with certified learning materials.
- Hands-on learning through sorting, sequencing, counting, and sensory activities.
- Creative studio for art, craft, clay work, and painting.
- Sensory lab to encourage exploration using touch, sound, and texture

3. Library & Reading Nook

- A cozy children's library with a wide range of storybooks and picture books.
- Comfortable reading corners to build listening, imagination, and early literacy skills.
- Weekly storytelling sessions to develop love for books and language.

4. Outdoor Play Zone

- Safe, vibrant outdoor play area with international-standard play equipment.
- Activities like climbing, balancing, cycling, and sand play to build physical strength and confidence.
- Soft flooring and age-appropriate play structures to ensure safety.
- Nature corner to teach children about plants, seasons, and care for the environment.

5. Indoor Play Area

- All-weather indoor play zone for motor skill development and group play.
- Equipped with soft toys, blocks, tunnels, and foam equipment for active learning.
- Promotes social interaction, teamwork, and cooperative play.

7. Audio-Visual & Learning Technology

- Hi-tech interactive smart boards and large touch-screen systems for digital learning.
- Educational videos, phonics apps, and visual stories to enhance understanding.
- Controlled screen time to maintain healthy exposure and balance.

6. Water & Sand Play Zones

- Sandpit area with clean, fine sand for safe sensory play.
- Water play area with rain showers and inflatable pools (supervised at all times).
- Regular cleaning and sanitization of all play materials.

8. Safety, Comfort & Environment

- Child-safe flooring, rounded furniture edges, and corner guards in all rooms.
- Adequate ventilation, lighting, and controlled fogging systems in the campus.
- Non-toxic paints and eco-friendly materials used throughout the campus.
- Separate, clean washrooms for boys and girls with child-sized fixtures.
- Focus on a green, sustainable environment — tree plantation, recycling activities, and nature awareness programs.

9. Health & Well-being Corners

- First-aid corner.
- Medical inspection room for health check-ups.
- Nutritious snack corner encouraging healthy eating habits.

Our Commitment

At Universal, infrastructure is not just about buildings — it's about creating an environment that encourages exploration, safety, and happiness.

We take pride in offering a campus that is vibrant, clean, well-equipped, and child-centered — where learning happens naturally and joyfully every single day.

Safety, Security & Hygiene Policy

At Universal, your child's health, safety, and overall well-being are our highest priorities. We maintain strict standards to ensure that every child learns in a safe, clean, and caring environment.

1. Campus Safety

- Single entry and exit point with constant monitoring.
- 24x7 trained security guards at the main gate.
- CCTV cameras in corridors, and outdoor areas for continuous surveillance.
- ID-based entry system for staff and verified visitors only.
- Fire extinguishers, evacuation plans, and regular safety drills conducted.
- Windows and play areas are netted and child-secured to prevent accidents or entry of insects and reptiles.

2. Child Safety & Supervision

- Each classroom has a fixed teacher–student ratio as per CBSE norms.
- Children are always supervised during indoor and outdoor activities.
- All staff members undergo police verification and background checks.
- Parents must authorize pick-up guardians; no child is handed over to unauthorized persons.
- Emergency contact information is maintained and verified regularly.

3. Hygiene & Cleanliness

- Daily deep cleaning and sanitization of classrooms, washrooms, toys, and play equipment.
- Monthly fumigation and pest control across the campus.
- Child-friendly washrooms equipped with hand wash, tissue, and sanitizer.
- Separate cleaning staff for each section to prevent cross-contamination.
- Use of eco-friendly cleaning materials wherever possible.

4. Health & Well-being

- Children or staff with illness are requested to stay home to prevent infection spread.
- On-site first aid kits in every classroom and activity area.
- Immediate parent notification in case of illness or injury.
- Medical and dental check-up camps organized regularly for children.
- The entire Universal Juniors team is fully vaccinated and trained in basic first aid

5. Food Safety & Nutrition

- Parents are encouraged to send fresh, healthy homemade snacks only.
- Strict no-junk-food policy (no chips, chocolates, aerated drinks).
- Hands are washed before and after meals.
- Dining areas are cleaned and sanitized after every snack time.

7. Staff Training & Well-being

- All teachers and helpers are trained in:
  - Child safety and first aid
  - Emergency evacuation drills
  - Child behavior management
  - Personal hygiene and health standards
- Regular mental and physical wellness check-ups for staff.
- Continuous professional development to maintain quality and care standards

8. Emergency Preparedness

- Clear emergency procedures for fire, evacuation, or medical situations.
- Regular drills to familiarize children and staff.
- First aid and emergency contact list displayed in every classroom.
- Tie-ups with nearby hospitals for immediate medical assistance.

Our Commitment

At Universal, we promise a safe, secure, and hygienic environment where children feel loved, confident, and ready to learn. We partner with parents to ensure every child's school experience is joyful and worry - free.
